ALPA new sponsors for the Wanderers Football Club

ALPA is excited to announce that we have partnered with the Wanderers Football Club to become the first Women's and Youth Girls teams' sponsor. We are very proud to support these talented young women in one of the fastest growing areas of AFL Football in the Northern Territory. In supporting the women's team, we hope to give more recognition to women's sport, and inspire young women to take up Australian Rules Football in the Northern Territory.

ALPA will also sponsor the entire Wanderers Football Club support staff group. These volunteer staff work hard and do an outstanding job supporting players every week. Wanderers and ALPA are planning for this partnership to grow and include opportunities for our players to travel to remote communities. These visits will provide both Wanderers and ALPA a further way to promote healthy living and lifestyle in remote communities.

The Women's NTFL competition kicks off on the 9th October.
